How to choose a Shredder

Why Shred?

Information theft is the fastest growing type of fraud in Europe. The good news is that Rexel's stylish range of innovative shredders will protect your personal and business information from being stolen. Ensure that you destroy hard copies of information that could put you or your business at risk. Items you might want to shred are...

Bank/Credit card statements / Client lists / Customer details / Utility bills / Accounting records / Letter headed paper
Tax returns / Medical records / Compliment slips / Salary details / Financial/sales reports

Choosing the right shredder

The shredder you choose depends very much on your personal or business requirements. The three main areas to consider are:

1 Where Will The Shredder Be Located And How Many People Will Use It?

2 Security Level & Cut Type:

			Your Perfect Rexel Shredder
Shared Office	Personal 1 user	RIBBON - S1 & S2 for everyday shredding	Alpha Ribbon • Silencio V30WS • OfficeMaster SC170 Promax V60WS • Mercury Jam Free RES1223
		CONFETTI - S3 for confidential documents	Alpha Confetti • Silencio V35WS • Style • Style+ • ProStyle • OfficeMaster CC175 • Promax V65WS• Mercury Jam Free REX1023
	Small Office 1 -10 users	RIBBON - S2 for everyday shredding	Mercury Jam Free RSS2030 • Mercury Jam Free RSS2232 • V120 • P180
		CONFETTI - S3 for confidential documents	Mercury Jam Free RSX1630 • Mercury Jam Free RSX1632 • V125 • P185
	Departmental 10 -20 users	RIBBON - S2 for everyday shredding	Mercury Jam Free RDS2250 • Mercury Jam Free RDS2270
		CONFETTI - S3 for confidential documents	Mercury Jam Free RDX1850 • Mercury Jam Free RDX2070
		MICRO - S4 for highly confidential documents	Mercury Jam Free RSM1130 • Mercury Jam Free RDM1150
		SUPER MICRO - S5 for top secret documents	Mercury Jam Free RDSM750
	Large Office 20+ users	RIBBON - S2 for everyday shredding	Jam Free RLS32 • RLW528 • RLW541
		CONFETTI - S3 for confidential documents	Jam Free RLWX19 • RLWX30
		MICRO - S4 for highly confidential documents	Jam Free RLM11
		SUPER MICRO - S5 for top secret documents	Jam Free RLSM9
	Bulk Shredding 500 sheets	CONFETTI - S3 for confidential documents	Auto+

3

Additional Features & Benefits - Look out for the following additional features from Rexel

Continuous Sensing · Mercury Anti-Jam · Ultra Quiet · Max Sheets · Recycling Bags · Auto Shut-Off · Self Cleaning · Continuous Operation · Jam Boost · Compaction Technology · Auto-Feed Technology · Large Bin Capacity · Auto Reverse · Easy Empty Bin · Easy Paper Feed · Auto Oiling

See the next page for detailed information on all our features and benefits

When selecting a new shredder, you should also consider...

- The sheet capacity (number of sheets that can be fed into the machine in one pass) and bin capacity (how much you can shred before you have to empty the bin)
- Rexel shredders are finger safe and come with a 2 year warranty and extended warranty on the cutters (excluding wear and tear).

Rexel®

Features and Benefits explained

Rexel shredders have a huge array of features that will meet your every need.
Whilst browsing through the brochure look out for the icons below :

CONTINUOUS SENSING
When during shredding additional paper is fed into the machine the mechanism will continue to operate and prevent the shredder to jam.

MERCURY JAM FREE
Shredder mouth illuminates to warn when there is too much paper inserted. Shredder will not start therefore preventing paper jams.

ULTRA QUIET
Shredder designed to have ultra quiet operation, ideal for shared environments.

MAX SHEETS
Shredder accepts large volumes of sheets in one go.

RECYCLING BAGS
Recyclable paper bags available for this product for the easiest way to empty and recycle your shredded paper.

AUTO SHUT-OFF
Shredder automatically switches itself off after a short time to conserve power consumption and for added safety.

SELF CLEANING
Cutters are self cleaning to remove lose pieces of paper and prevent paper jams.

CONTINUOUS OPERATION
Shredder can be used continuously, no cool down means no wasted time.

JAM BOOST
Button that when pressed maximises power to clear a jam.

COMPACTION TECHNOLOGY
Shredded paper is compacted in the bin to allow more shredding and less emptying.

AUTO-FEED TECHNOLOGY
Shredder automatically shreds a stack of paper with no user intervention.

LARGE BIN CAPACITY
Extra large bin for less emptying.

AUTO REVERSE
Returns paper that is too thick or too many sheets for shredder to accept.

EASY EMPTY BIN
Pull out bin makes emptying fast and simple without having to remove shredder head.

EASY PAPER FEED
Shredder head is angled, positioned for easy and instant shredding.

AUTO-OILING
Oils the cutting head automatically when required to provide better shred performance and a longer shredder life.

In addition to these special features, also look out for these icons by each shredder in the brochure.

Specialist Bulk Shredder

REXEL AUTO+

Wasting time stood at the shredder?
Tired of pulling out staples before shredding?
Well not any more!

Revolutionary new automatic shredding technology from Rexel will save you valuable time.

AUTO+ features:

High volume, automatic feed bulk shredder that accepts stapled documents and paper clips

- Automatic feed technology for minimal human intervention
- Unlike other autofeed shredders, Auto+ will accept paper fastened together with paper clips/staples
- High security 3 x 20mm micro-cut size
- Security password locks sensitive information in shredder while shredding is taking place. Also a safety feature. Separate key to unlock machine if password has been forgotten.
- 500 sheets capacity for bulk shredding in one load (667 sheets of 70gsm)
- 83 litre bin capacity (1000 Sheets)
- Quiet operation (less than <60dBA)
- Professional LCD display (ready, door open, bin full, reverse, overload/jam, oil now)
- Auto reverse and forward jam boost functionality to clear paper jams
- Casters fitted for easy manoeuvrability
- Continuous operation – never needs to cool down.
- Accepts staples and paper clips

The Original and the Best!

Rexel shredders equipped with the unique Mercury Continuous Sensor Jam Free technology prevent paper jams. Without continuous sensors competitive machines have to clear paper jams automatically once they have occurred, during that process the shredder can’t be used. Prevention is better than cure!

Unlike other models, Mercury shredders will not jam when paper is overlapped.

Rexel®

Large Office Shredders

New Rexel Large Office Shredders are heavy-duty machines, which shred very large amounts of paper in one go. They are specifically designed for the rigorous challenge of bulk shredding in large organisations and some models feature the highest level security for shredding ultra sensitive documents.

All Large Office models feature:

NEW REXEL RLSM9

The RLSM9 shreds paper into super micro-cut pieces and is designed specifically for those companies that require the highest level of security.

- Advanced Jam Free Technology
- 0.8x11mm super micro cut pieces for highly sensitive documents (security levels)
- Shreds up to 10 sheets in one pass (70 gsm)
- 115 litre bin capacity holds up to 1250 sheets
- Clear user communication (LED indicators)
- Casters for easy manoeuvring
- Autoshut down to zero power after 5 minutes
- Paper bags available to encourage the recycling of shredded paper
- Ultra quiet (~55dBA)
- Continuous operation - no need to cool down
- Auto-oiling function
- Self-cleaning cutters to prevent internal jams*
- Auto reverse on jamming
- Finger safe - compliant with international standards
- Separate CD tray for separating waste for efficient recycling
- Storage pockets (inside door) for oil sheets and waste sacks

Shredder Model	Type	Order Code	Qty
Safe to use with ALL Rexel shredders	Oil Sheets Oil Sheets	2101948 2101949	Pack 12 Pack 20
Mercury Departmental models, Large Office models, Wide Entry models and Auto+	Bottle Oil (473ml)	1760049	Each

Understanding Security

The 1995 DIN standard 32 757 1/1995 set out 5 levels of shred "categories", their relevant uses and their specific shred features. Many government bodies and security consultants use these DIN standards in their analysis and decision-making of documents security risk management.

Security Level	Security Classification	Ribbon Cut shred size	Confetti Cut shred size
1	Basic	6.1 - 12mm	20
2	Standard	2.1 - 6mm	20
3	Confidential	2mm or less	40mm x 80mm
4	Highly Confidential		2mm x 15mm
5	Top Secret		0.8mm x 13mm or less

Warranties and Services

Guarantee

ACCO Brands warrants its product/products and their parts against defects in materials and workmanship under normal use for a period of two (2) years from the original date of purchase.

Additional Guarantee

ACCO Brands guarantees the cutting blades of the shredder to be free from defects in material and workmanship for for up to 20 years from the date of purchase (depending on the Rexel model). Please refer to the user manual for more information.

*Please note that the cutter blades will be progressively worn down by shredding fastened sheets (staples and paperclips) - this is not covered in the warranty. With regards to CD shredding, Rexel departmental and small office shredders have been designed to shred up to 500 and 300 CDs respectively during the warranty period. Excessive cd shredding will wear the cutters and is not covered within the warranty.

A dedicated website is available where it is possible to:

- Download instruction manuals and operator guides for the Rexel machine's range
- Access a guarantee registration service including automatic update reminders
- Use a comprehensive Frequently Asked Questions section

Rexel®
Works Beautifully

Could you tear this page into 7,101 pieces?

The World's first high security, Jam Free departmental shredders

Shredders that think for themselves...maximumsecurity and no jamming!

The brightly lit indicator next to the paper entry warns you whether you are trying to shred too much in one go. Red light means stop, too much paper! Remove some sheets. Get the green light and you're ok to go - no risk of jamming.

Mercury jam free technology prevents paper jams
